Most banks and merchants will not accept personal out-of-town checks. In previous years participants have found it convenient to bring traveler's checks, rely on their ATM cards and establish local checking accounts for the duration of their stay in Ann Arbor. Check the web site of the financial institution (American Express, for example) that issued your traveler's checks for a list of banks that will cash your checks. If you have an account at a local bank, that bank may be able to cash your traveler's checks.

Banks may ask you to fill out an Internal Revenue Service W-8BEN form to prove that you are exempt from the requirement of providing a Social Security number. Upon opening an account funds may not be available for immediate withdrawal.

University of Michigan Library

Access

Summer Institute participants enjoy “guest borrowing” privileges at the University of Michigan Library system.

To utilize the library resources, **Summer Scholars** must purchase a MCard and bring it to Room 104 of the Graduate Library to request access to the University Course Reserves at the Shapiro Library. Let the attendant know that you are a SRC Summer Institute participant. It will take 24 hours for the library to process your paperwork and activate your remote account, but you will be able to borrow reserve items from Shapiro right away. If you have any difficulty, call the Summer Institute office at 734-764-6595.

To borrow items from the reserve collection, visit the circulation desk in the lobby of Shapiro Undergraduate Library. Reserve items are located in a “closed stack” area and require a library assistant to retrieve item(s) for you. You may borrow two reserve items at a time.

To borrow a reserve item, you need to give the desk attendant a call number. You can get a call number by looking up your course at one of the two computers at the end of the circulation desk. Write down the call number of the item(s) wanted on a slip of paper. Give the paper slip to the desk attendant to retrieve the item(s). **You will need to show the attendant your MCard.**

Returns

To return reserve materials, leave items in the return box located at the Circulation Desk.

Fines

Reserve items are for short-term use of high demand materials. Fines are stiff and are designed to encourage prompt return of materials. **Reserve fines** are \$1 per hour.

Emergency Action Plan

Evacuation Routes

In the event of a building emergency or severe weather each building has a specific evacuation plan. The evacuation plan will be **posted in the hallways** near the elevators.

Severe Weather

Summer weather in Michigan can become severe at times. Each class instructor will be able to direct you to the safest place in the event of a building emergency or severe weather condition. Details on the weather emergency will be obtained from the Department of Public Safety (DPS), a radio weather alert, or through another mechanism. Class instructors may use this statement in informing their participants: "There is a tornado warning. Please seek shelter and go to the basement".

Safe places during a tornado are inside the building. Go to the **basement**, the lowest level in the building. If that is not possible go to an interior room or hallway. A **bathroom** is a secure location. **Stay away from windows** and avoid auditoriums, atriums, or other areas with large, free-span roofs. Do not leave the shelter area until advised to do so.

Fire

Know at least two exits from the building. Route diagrams are posted on each floor by the elevators. The fire alarm is **low** and **soft** in tone. Exit the building using the **stairs**. Do not use the elevators. **Stand across the street** from the building at designated assembly areas. Do **not** re-enter the building until advised to do so by DPS.

Contact the Summer Institute at 764-6595, with any further questions.
